

LORENA CORONADO

Junior Web Developer · Frontend & Fullstack
Seville, Spain · +34 668 56 47 62 · lorenayelamo.uk@gmail.com
[Portfolio](#) · [LinkedIn](#) · [GitHub](#)

PROFILE

Junior web developer with a Higher National Diploma in Web Application Development (DAW, 2026) and real-company internship experience (DataControl). Stack: HTML5, CSS3, JavaScript ES6, Java, SQL and Git. Background in photography, graphic design and project management brings strong UI/UX sensibility from day one. Looking for a first stable role to grow alongside a technical team.

EXPERIENCE

Fullstack Developer – Work Placement (FCT) | DataControl · Mar 2026 – Jun 2026 · Remote

- Developed modules in a real business environment following agile methodology (daily stand-ups, sprints, code reviews).
- Managed Git repositories as part of a team and maintained collaborative version control via GitHub.
- Designed, modelled and administered relational databases (MySQL).
- Integrated with LMS platforms (Moodle) and corporate tools (Jira, Trello, Microsoft Teams/SharePoint).
- Fast adaptation to new technologies (Dataflex) in a 100% remote working environment.

Photographer, Graphic Designer & Project Manager | Freelance · Oct 2010 – present

- Created visual identity assets (logos, posters) and professional photo retouching: strong command of composition and visual hierarchy directly applicable to Frontend design.
- Client acquisition, budget management and on-time project delivery: self-management skills and results-oriented mindset.

Operations Coordination & Customer Service | Sevilla FC · Konecta · Cirque du Soleil · Amazon PhotoStudio · Hospitality · 2016 – 2024

- Team leader at Cartuja Center (Seville European Film Festival): managed team tasks and audience flows at international-scale events.
 - Handled sensitive real-time data and corporate tools for data management (Spanish Tax Agency, Amazon).
 - Multilingual communication (Spanish/English) across 3 years of residence in London — proven collaboration with international teams.
-

PORTFOLIO — FEATURED PROJECTS

Personal Web Portfolio

- Bilingual site (ES/EN) with full responsive layout. Technologies: semantic HTML5, CSS3 (Flexbox, Grid, CSS variables), continuous deployment via GitHub Pages.
